Chorus: Like a thief
 Like a thief
 Like a thief in the night
 He will come to set his people free.

Are you watchin' and are you waitin'
In day or night no one can know.
Don't be caught in hesitation
Let His light burn in your soul
'Til He comes to set his people free.

Chorus: Like a thief
 Like a thief
 Like a thief in the night
 He will come to set his people free

Father in Heaven, lovin' and gracious
Help me proclaim your mighty truth
Give me the strength and the courage and patience
Of Elijah, Job and Ruth
'Til He comes to set his people free.

Chorus: Like a thief
 Like a thief
 Like a thief in the night
 He will come to set his people free

Holy Messiah, it's oft I've stumbled
Tryin' to pay the price that I never could
But Your innocent dyin' has my heart humbled
So here's my life use it as you think you should
'Til you come to set your people free.
