

The Savior Is Born

Becky Buller & Delia Topping, *Goodnight Sparky Music, BMI*

Now's the time
Mary, don't you be frightened
Show the world your son
He shall be God's chosen one
Joseph, know
Though the task may be daunting
You both are truly blessed
Thank you for your faithfulness

Chorus: Hallelujah in the highest heaven
 And peace to God's people
 This blessed morn
 For in the City of David
 Christ the Savior is born

Shepards, rise
Heed the sign in the heavens
Hear the angels sing
Heralding the newborn king
Make your way
To the Bethlehem stable
See the miracle
God has given us Emmanuel

Chorus: Hallelujah in the highest heaven
 And peace to God's people
 This blessed morn
 For in the City of David
 Christ the Savior is born

Simeon, old friend
Why the laughter
Could this baby you hold
Be the one who's birth was foretold
Long ago, by a gift of the spirit
Told you would not die
'Til you saw the face of Jesus Christ

Chorus: Hallelujah in the highest heaven
 And peace to God's people
 This blessed morn
 For in the City of David
 Christ the Savior is born
