

# You're My Guide

Becky Buller, Goodnight Sparky Music, BMI

Heaven's mountain's callin' me  
Through life's valley dark  
Thy word lights a path for me  
Thy hand comforts my heart

Chorus: I will never be alone  
With you by my side  
The path is windin',  
Blocked by stone  
But I'll fear not  
You're my guide

Though the path be steep inclined  
With snares to trap my soul  
Though I falter, fall behind  
Thy death hath made me whole

Chorus: I will never be alone  
With you by my side  
The path is windin',  
Blocked by stone  
But I'll fear not  
You're my guide

When my time it comes to rise  
And leave this world of care  
With glad shouts, no tear-dimmed eyes  
I'll meet you in the air

Chorus: I will never be alone  
With you by my side  
The path is windin',  
Blocked by stone  
But I'll fear not  
You're my guide

Chorus: I will never be alone  
With you by my side  
The path is windin',  
Blocked by stone  
But I'll fear not  
You're my guide
