

You're Letting Me Go

Becky Buller, Goodnight Sparky Music, BMI

You say you're uncertain
Your heart's drawn the curtains
And you need a little time
When what we were sharin'
Was far beyond carin'
You know that as well as I
But you seem to wanna hide the truth
Your indifference is the bitter proof that...

Chorus: You're letting me go
 Through this world all alone
 But for so long, you truly loved me

I've waited for years
Worn a smile, shed my tears
Just to keep you satisfied
Though the road has been rough
Watched you fall and picked you up
And I've forgiven a thousand lies
Now I don't know that I'm gonna do
Cuz I built my ev'ry dream on you and...

Chorus: You're letting me go
 Through this world all alone
 But for so long, you truly loved me

Bridge: Now I cry myself to sleep each night
 Though I know that it was never right and...

Chorus: You're letting me go
 Through this world all alone
 But for so long, you truly loved me
