

CALAMITY JANE

Becky Buller, *Goodnight Sparky Music, BMI*
Tim Stafford, *Daniel House Music, BMI*

V1) Martha Canary
Better be wary
Mind your p's and q's
Stay on the level
Drink or the devil
Are bound to catch up with you

CH) Calamity Jane
Lordy, Lordy woman
What you think you're doing
Ain't you got any shame
Calamity Jane
You been telling stories
Spreading lies of glory
Up and down the plains
Jane ain't even your name
Jane

V2) You know he can't stand you
He cussed and he damned you
Yet you claimed to be his wife
I gotta a premonition
You'll spend perdition
Resting side by side

CH) Calamity Jane
Lordy, Lordy woman
What you think you're doing
Ain't you got any shame
Calamity Jane
You been telling stories
Spreading lies of glory
Up and down the plains
Jane ain't even your name
Jane

V3) Dime store fiction
One big contradiction
Where did it all begin?
Long as they're buying
Keep on lying

'Til your legend does you in

CH) Calamity Jane
Lordy, Lordy woman
What you think you're doing
Ain't you got any shame
Calamity Jane
You been telling stories
Spreading lies of glory
Up and down the plains
Jane ain't even your name
Jane
