

Written In The Back Of The Book

Becky Buller, *Goodnight Sparky Music, BMI*

God gave John a revelation
Opened up the veil of Heaven
Showed him what was goin' on behind the scenes
Said, "Brother John, write this down for all my children to see." ...and it's....

Chorus: Written in the back of the book
 Written in the back of the book
 Written in the back of the book
 Written in the back of the book

Behold I stand at the door and I'm knockin'
While this ol' world is reelin' and rockin'
If anyone hears My voice and bids Me come and dine
I'm gonna share his table and he's a gonna be at Mine...and it's....

Chorus: Written in the back of the book
 Written in the back of the book
 Written in the back of the book
 Written in the back of the book

To the church at Laodicea
You have forgotten your passion for Me
You have grown lukewarm and tasteless in My mouth
If your hearts don't catch on fire again, I'm a gonna spit you out...and it's....

Chorus: Written in the back of the book
 Written in the back of the book
 Written in the back of the book
 Written in the back of the book

Bridge: We have vict'ry (repeat)

We hear of wars, disease and famine
The moon turned to blood and all hope abandoned
But the ruler of this world can't harm us anymore
'Cause we know Who's side we're on and we know Who done won the war

Chorus: Written in the back of the book
 Written in the back of the book
 Written in the back of the book
 Written in the back of the book

Chorus: Written in the back of the book
 Written in the back of the book
 Written in the back of the book
 Written in the back of the book

Bridge: We have vict'ry
 Vict'ry in Jesus
 Death cannot harm us
 It's been defeated
