Becky Buller, *Goodnight Sparky Music, BMI*

Seems like I've put a hundred thousand miles
On this soul of mine
And it's an uphill climb all the way
Cuz I've been one to dead-end in denial
Lettin' my wheels spin
Over what I wanted when
Somethin' better was waitin' for me at...

Chorus: Home
Holdin' you feels like comin' home
To a place I've only known in my heart of hearts
Could this be the start
Of forevermore
Holdin' you feels like comin' home

My gypsy ways are catchin' up with me
Startin' to drag me down
Another night, another town
Is not enough
To satisfy an even deeper need
That's been there all along
Of wantin' somewhere to belong
And someone who loves me
Callin' me to come back

Chorus: Home
Holdin' you feels like comin' home
To a place I've only known in my heart of hearts
Could this be the start
Of forevermore
Holdin' you feels like comin' home

Bridge: Yes, I do believe
That somehow we
Were meant to build a...

Chorus: Home
Holdin' you feels like comin' home
To a place I've only known in my heart of hearts
Could this be the start
Of forevermore
Holdin' you feels like comin' home
