

More Heart, Less Attack

Be the light in the crack
Be the one that's been there on a camel's back
Slow to anger, quick to laugh
Be more heart and less attack

Be the wheels not the track
Be the wanderer that's coming back
Leave the past right where it's at
Be more heart and less attack

Ooo x2

The more you take the less you have
'Cause it's you in the mirror staring back
Quick to let go slow to react
Be more heart and less attack

Ever growing steadfast
And if need be the one that's in the gap
Be the never turning back
Twice the heart any man could have

Ooo x4

Be the wheels not the track
Be the wanderer that's coming back
Leave the past right where it's at
Be more heart and less attack
Be more heart and less attack
Be more heart and less attack

(Start instrumentals with banjo vamp on 1 then each take a pass over bridge chords)

Bridge: I stuck my hat out, I caught the rain drops
 I drank the water, I felt my veins block
 I'm nearly sanctified, I'm nearly broken
 I'm down the river, I'm near the open

Tag: I'm down the river to where I'm going
