

Tell The Truth (Shame The Devil)

Becky Buller, *Goodnight Sparky Music, BMI*

Is your conscience heavy
Burdened by the past
Do you wrestle with those demons every night
Haunted 'cause your choices
Caught up with you at last
My friend, there's just one way to make it right...

Chorus: Tell the truth, shame the devil
 Send him slinkin' back into the shadows
 It's time to level
 Tell the truth, shame the devil

This world is lost in darkness
And evil has its way
Ol' Lucifer keeps walkin' to and fro
When we take the high road
Into the light of day
There's only one place left for him to go

Chorus: Tell the truth, shame the devil
 Send him slinkin' back into the shadows
 It's time to level
 Tell the truth, shame the devil

While teaching at the temple
His hour not yet arrived
Jesus spoke to all who would believe
"If you be my disciples
And in my word abide
You'll know the truth and the truth shall make you free."

Chorus: Tell the truth, shame the devil
 Send him slinkin' back into the shadows
 It's time to level
 Tell the truth, shame the devil
