Bass: Mary rocked her baby (4x)
Tenor: Mary...rocked her baby

Mary rocked her baby on that starry night
Eyes full of wonder at the glorious sight
The beloved of Heaven come to make things right
Mary rocked her baby
Mary rocked her baby
Mary rocked her baby on that starry night

Mary rocked her baby, joy of man's desire
Heard up in heaven was an angel choir
Singing "Alleluia!" 'til the hills caught fire
Mary rocked her baby
Mary rocked her baby
Mary rocked her baby, joy of man's desire

Bridge 1: Shepherds came to worship him
From their fields afar
Mary treasured all their praises
In her heart
(Mmmmmmm)

Mary rocked her baby wrapped in swaddling clothes
Laid him in a manger so mean and low
What a beginning for the Lord of Lords
Mary rocked her baby
Mary rocked her baby
Mary rocked her baby wrapped in swaddling clothes

Bridge 2: Wise men came to worship him
Guided by a star
Mary treasured all their praises
In her heart
(In her heart of hearts)

Mary rocked her baby, held his tiny hand
Son of God the Father, yet a child of man
Marveled at her place in such a mighty plan
Mary rocked her baby
Mary rocked her baby
Mary rocked her baby, held his tiny hand
